## 2016 International Conference on the Science of Electrical Engineering - ICSEE

November 16-18 | 2016 | Eilat | Israel

### First Call for papers

#### General Chair

Mark Shtaif

#### Technical Program Chair

Uri Erez

#### Steering Committee

Adi Arye, Tel Aviv University  
Joseph Kost, Ben Gurion University  
Ephraim Zehavi, Bar Ilan University  
Ariel Orda, Technion  
Yair Weiss, The Hebrew University  
Yossi Rosenwaks, Tel Aviv University

#### Organizing Committee

Mark Shtaif, Tel Aviv University  
Israel Cohen, Technion  
Sharon Gannot, Bar Ilan University  
Anelia Somekh Baruch, Bar Ilan University  
Yuval Beck, Holon Institute of Technology  
Liran Katzir, Tel Aviv University

#### Technical Program Committee

Ady Arie, Tel Aviv University  
Shmuel Auster, Elta Systems  
Jacob Baal-Schem  
Yuval Beck, Holon Institute of Technology  
Irad Ben-gal, Tel Aviv University  
Itai Dabran, Technion  
Sharon Gannot, Bar Ilan University  
Jacob Gavan  
Gady Golan, Hermellin College  
Leah Goldin, Shenkar College  
Hugo Guterman, Ben Gurion University  
Yuval Kochman, The Hebrew University  
Steli Loznen  
Reuven Meidan  
Yael Nemirovsky, Technion  
Yaakov Oshman, Technion  
Sigal Portnoy, Tel Aviv University  
Doron Shmilovitz, Tel Aviv University  
Solon Spiegel, Bar Ilan University  
Arie Yeredor, Tel Aviv University  
Ezra Zeheb, Technion

The IEEE Israel Section invites paper submission to the international conference on the science of electrical engineering (ICSEE) to be held in Nov. 16 – 18 in the city of Eilat, at the beautiful northern coast of the Red Sea. The conference will cover a multiplicity of topics in a number of parallel sessions, in combination with joint sessions and activities designed to foster scientific interaction and synergy between various disciplines. Practitioners and scientists are invited to use this opportunity for exchanging information on the latest developments.

#### Conference highlights

- An invited full day symposium on Information Theory
- An invited full day symposium on Speech and Audio Processing
- Best student paper competition

In 2016 the *IEEE Israel Section* anticipates a wide participation of professionals from Israel and abroad.

#### Convention Topics

- - Systems and Control
- - Communication and Information theory
- - Computers
- - Acoustics, Speech and Signal Processing
- - Image Processing and Computer Vision
- - Machine Intelligence
- - Microwaves, Antennas & EMC
- - Electronic Devices
- - High speed electronics
- - Power Electronics, Power Engineering & Smart Grids
- - Optical devices and systems

#### Submission of Papers

Guidelines for paper preparation and notification on the opening of the submission website will be provided in future correspondence.

#### Important Dates

Paper submission deadline: **June 15, 2016**  
Notification of Acceptance: **August 15, 2016**  
Submission of final version: **September 30, 2016**

#### Conference Secretariat

Tel: Tamar: +972-3-5767716, Email: [info@ieee.org](mailto:info@ieee.org)
